

ELG Estate Planning Process

Client Reviews:

- “Elder Law Group staff are professional and personable. I have worked with Lynn St. Louis in the past and found her to be head and shoulders above most Elder Law Attorneys in the Spokane area, her skill and insight in elder affairs makes her and her team estate (needs) experts.”
- Rick E.
- “Having incredible guidance every step of the way for my aging parents with significant health issues has been invaluable. No words. The financial protections put in place as they are going through the process of selling their home and moving into assisted living has given them (and me!) peace of mind that for the rest of their lives, all their needs will be covered.”

- “The folks at ELG I had interaction with were professional, respectful and knowledgeable regarding Estate Planning. From the very beginning I knew their intentions were to help me create plans that covered what my wishes were. I trust everyone at ELG and highly recommend them to help you through the process of your Estate plan.”
