

Medicaid Asset Preservation Process

Client Reviews:

“Lynn St. Louis, and her team, are very professional and understanding. I had the unpleasant medical situation with my family members with which I had the reality check of having to deal with Medicaid in the near future. The team at ELG Estate Planning provided me the means by which my mother and father will not have to lose all their assets, and my family will be able to keep property that has been in our family since the late 1800's. I thank the team at ELG Estate Planning office for being there for the Elderly, and their families. This is an amazing law group, and I can't say enough about what they have done for myself and my whole family. ”
